**NOTE :**

We are diving in a remote part of the world. The nearest recompression chambers are in Bali or Singapore. Exact duration of evacuation is unpredictable, but it may take a very long time. Kararu Dive Voyages is a DAN sponsor and has in place an evacuation program. If a diving accident occurs, Kararu will consult Dan for medical assistance and if necessary proceed with evacuation procedures.

For your personal safety, please adhere to the following :

- Dive conservatively, obey recommendations listed in "standard safe diving practices statement of understanding" which follows this registration forms
- Always do a safety stop at the end of each dive
- Drink, drink and drink plenty of non-alcoholic fluids. Drinking water is free on board
- Kararu recommends you have one day free of diving during this cruise

I hereby verify that all above information has been read and understood and my personal data is correct and true to the best of my knowledge.
